PARESA FACT SHEET

LOCATION

Extending out dramatically from the stunningly sculptured cliff tops of Kamala overlooking the spectacular azure waters of the Andaman Sea and surrounded by lush tropical forests and gardens, Paresa embraces the exclusivity of its natural surroundings to create an oasis of tranquility and unrivalled luxury.

A short 30-minutes from Phuket International Airport and situated at Phuket's most sought after address, "Millionaires' Mile" at Kamala Bay, Paresa is a secluded retreat offering unrivalled indulgence and luxury for the truly discerning guest. The ultimate Phuket retreat, cocooned from the daily throng of life, Paresa is also within easy access of the sleepy, traditional Kamala fishing village and the lively Patong Beach.

RESORT CONCEPT

The architectural design of Paresa effortlessly evolves out of and blends into the natural surroundings of lush tropical vegetation. Drawing from Southern Thai cultural traditions, Paresa is a modern day reinterpretation of Southern Thai architecture and design - understated yet elegant. Built around several magnificent Banyan trees, elements of Paresa's structural design are reminiscent of Frank Lloyd Wright-inspired organic architecture.

Guaranteed to arouse all the senses, the Paresa experience is made complete with high quality service provided by discreet, yet friendly, warm and welcoming Thai staff, each named an Angel, and each trained to provide the highest standards of service quality under international management.

VILLAS & SUITES

Comprising 49 luxurious and elegantly appointed guest suites and villas, each offering uninterrupted 270° views across the Andaman Sea, Paresa's accommodation reflects a newfound respect for the environment and nature, with modern open plan design spaces and natural finishes and furnishings.

All rooms at Paresa feature super king size beds dressed in white luxury linens, feather pillows and duvets, while private exterior verandahs are made all the more enticing and relaxing with daybeds or sun loungers. For those desiring contact with the outside world, WiFi internet access is provided, while the In Villa bar, espresso machine, LCD TV, DVD player, iPod and sound station cater to every mood and desired form of entertainment.

13 Talay Suites (120 m²) feature spacious outdoor balconies for maximum enjoyment of the balmy Thai weather, together with joint access to a luxurious, overflowing infinity pool. Also ideal as an interconnecting suite for families or friends.

18 Aqua Pool Suites (140 m²) boast a private infinity pool complete with indoor and outdoor showers, while large balconies with sumptuous sun loungers

and a dining table further promote a relaxed outdoor lifestyle. Inside large daybeds offer a relaxing space from which to read or watch your LCD television.

5 Dima Spa Suites (210 m²) Each suite features its own exclusive private infinity pool, steam room and island bathroom surrounded by the pool. In addition to luxuriously appointed bedroom and living spaces, spa treatments are also provided within each suite's private outdoor treatment sala. Complete the experience by retreating to your private steam room or relaxing on your large daybed.

7 Cliff Pool Villas (160 m²) are each made complete with an adjacent ocean front living sala, a private cantilevered infinity pool, indoor and outdoor bathrooms, and a well-stocked wine cellar; the perfect formula for sensual and private outdoor living.

6 Cielo Residences (660 m²) are widely regarded as the ultimate in luxury living, with a large private infinity pool, private living and dining pavilion, spacious verandah, indoor and outdoor bathrooms, fully equipped kitchen with wine cellar and a personal butler available to cater to your every desire.

Larger groups or families will welcome the ideal setting featured within Paresa's 5 Four Bedroom Grand Villas which present a perfect getaway, each able to accommodate 8-12 adults.
