

# Phuket Island Tour

Discover the inner beauty of Phuket Island with our Adventure Team

This tour is designed to make you discover the worthy sites of Phuket Island combining nature, religion, culinary and traditional spots sure to delight all your senses. Drive along Phuket's west coast from Kamala to come across sandy beaches at Patong, Karon and Kata. We will stop at breathtaking viewpoints of the Andaman Sea at both Karon and Nai Harn.

Meet a local sea gypsy community at Rawai pier and learn about their nomadic lifestyle passed along from generation to generation. The Fisherman's Village is also a spot where to indulge in the freshest seafood and fish from the Andaman Sea. Head to the top of Phuket's highest hill to visit the Big Buddha, a 46 meter tall white marble statue or visit the island's largest Buddhist Temple: Wat Chalong.

In Phuket Town stroll down Thalang Road and savor the atmosphere of the old days in which this little town thrived as an important commercial point in South East Asia.

Return to Paresa to witness sunset and revive memories of your daytrip around the emerald island of the Andaman Sea.
