

Catch Your Own Lunch

Deep sea fishing by long tail boat

Head out to sea with our experienced boat captain and Paresa guide for an unforgettable fishing trip.

The Andaman Sea is rich with all kinds of local varieties of fish and shellfish. Learn from our own expert boat captain the secrets of traditional Thai fishing passed down from generations of living from the sea.

As a special treat Paresa's Executive Chef Jordi and his team will cook your catch of the day to your own liking for lunch or dinner the same day.

Trip includes round trip transfers, private traditional long tail boat with experienced captain, fishing equipment, Paresa guide, gourmet cruise cuisine prepared by Paresa chefs, soft drinks and beers.
