

PARESA FACT SHEET

LOCATION

Extending out dramatically from the stunningly sculptured cliff tops of Kamala overlooking the spectacular azure waters of the Andaman Sea and surrounded by lush tropical forests and gardens, Paresa embraces the exclusivity of its natural surroundings to create an oasis of tranquility and unequalled luxury. A short 45-minutes from Phuket International Airport and situated at Phuket's most sought after address, "Millionaires' Mile" on Kamala's Hills, Paresa is a secluded retreat offering unrivalled indulgence and luxury for the truly discerning guest. The ultimate Phuket haven, cocooned from the daily throng of life, Paresa is also within easy access of the sleepy, traditional Kamala fishing village and the lively Patong Beach.

RESORT CONCEPT

Paresa, Sanskrit for "Heaven of all Heavens, is a privately owned boutique resort which effortlessly evolves out of and blends into the natural surroundings of lush tropical vegetation. Drawing from Southern Thai cultural traditions, Paresa is a modern day reinterpretation of Southern Thai architecture and design - understated yet elegant. Built around several magnificent Banyan trees, elements of Paresa's structural design are reminiscent of Frank Lloyd Wright-inspired organic architecture. Guaranteed to arouse all senses, the Paresa experience is made complete with high quality service provided by discreet, yet friendly, warm and welcoming Thai staff, each named an Angel, and each trained to provide the highest quality standards of service.

VILLAS & SUITES

Comprising 48 luxurious and elegantly appointed suites, villas and residences, each offering uninterrupted 270° views across the Andaman Sea, Paresa's accommodation reflects a newfound respect for the environment and nature, with modern open plan design spaces and natural finishes and furnishings. All residences at Paresa feature super king size beds dressed in white luxury linens, feather pillows and duvets, while private exterior verandahs are made all the more enticing and relaxing with daybeds or sun loungers. For those desiring contact with the outside world, complimentary Wi-Fi internet access is provided, while the in villa bar, espresso machine, LED TV and sound speaker of entertainment.

18 Ocean Pool Suites (140m²) boast a private infinity swimming pool complete with indoor and outdoor showers, while large balconies, sun loungers, dining table and incredible ocean views further promote a relaxed outdoor lifestyle. Inside large daybeds offer a relaxing space from which to read or watch your LED TV.

7 Cliff Pool Villas (160m²) are each made complete with an adjacent ocean front living sala, a private suspended infinity swimming pool, incredible uninterrupted

ocean views, indoor and outdoor bathrooms, and a well-stocked wine cellar, the perfect formula for sensual and private outdoor living.

5 Spa Pool Suites (210m²) features its own exclusive private indoor swimming pool, steam room and island bathroom surrounded by the pool itself. In addition to luxuriously appointed bedroom and living spaces, spa treatments are also provided within each suite's outdoor treatment sala. Complete the experience by retreating to your own steam room or relaxing on your large daybed.

6 Two Bedroom Ocean Pool Residences (120m² per room) feature spacious outdoor balconies with joint access to a luxurious overflowing 12m long infinity edge swimming pool facing the Andaman Sea. They are ideal as adjoining suites for families and friends traveling together.

6 Grand Residence Pool Villas (660m²) are widely regarded as the ultimate in luxury living, fully embracing the resort's "Outdoor Living In", the ability to completely open up all 4 sides of the living and dining pavilion walls so guests can move between the indoor and outdoor spaces in total privacy. Other highlights include magnificent ocean views, outdoor rainfall shower and WC, spacious outdoor terrace with a 10m long private infinity edge swimming pool, private dining pavilion for up to 12 guests, spacious veranda, and a fully equipped kitchen with double door fridge, dishwasher, microwave, oven, ice machine and wine cellar.

Larger groups or families will welcome the ideal setting featured within Paresa's 5 Four Bedroom Grand Villas which represent a perfect getaway, each able to accommodate 8 - 12 adults.

WINE & DINE

Indulge in Paresa's distinctive and unsurpassed dining experiences in the restaurants, or secluded venues across the resort, or simply the privacy of our villas. Our passionate culinary team presents the freshest local and imported ingredients to tempt the guest's taste buds.

DIABOLO

Modern design gives way to spectacular 270° views of the Andaman Sea, relaxed style greets you for breakfast, while lunch and dinner offers sophistication and fresh modern and Western/International flavors. Our Award Winning Wine Cellar offer an extensive range of old and new world wines, while tropical cocktails and fresh juices are available.

TALUNG THAI

Authentic Thai cuisine on our sunset terrace, featuring the most popular dishes from Thailand as well as rare southern family recipes. Situated high on the cliff top, this idyllic al fresco restaurant also benefits from shade canopies provided by majestic Banyan trees and is the perfect setting from which to enjoy the best sunsets on the Andaman Sea.

IN VILLA DINING

For those who enjoy utmost privacy, whether casual or a table for two set on your private terrace.

INFINITY POOL DINING

For a memorable dining experience available nowhere else, amongst the stars above and the sparkling fiber optic pool below, on your own island, dine with an exclusively-designed menu.

RECIPE

Paresa's Cooking School of Culinary Arts offers daily traditional Thai menus led by the resort's passionate chef, set in purpose built state-of-the-art cooking facilities. Optional visits to the local fresh market make this a truly unique and interactive experience. Recipe also offers a private dining experience and customized menu for up to 30 guests, complete with 270° ocean views.

THE SPA BY PARESA

Offering a heavenly sanctuary inspired by Thai ancient healing utilizing natural and organic Thai ingredients to purify your senses. Let the scent of jasmine, sandalwood, ylang ylang or lemongrass work its magic, release your tired body to our therapists, close your eyes and embrace the spirit. Our therapists will work to nurture and heal, so you can rejuvenate, relax and indulge. The Spa features 5 double treatment suites with bath and steam showers, unwind afterwards on your private balcony overlooking the Andaman Sea or revitalize with a dip in the Energy Pool. Our Salon is available for pedicures, manicures and waxing.
