

THE BIGGEST RAINFOREST ZIPLINE PARK IN THAILAND

Get ready for an exhilarating ride on our roller zipline! This 800-meter track, with its winding curves, lets you fly through the rainforest at speeds approaching 30 kilometers per hour.

Zipline through the rainforest and connect with the divine. The height and stunning views are only part of the experience. Feel the rush of flying like Hanuman, glide through the canopy, and experience the euphoria of being one with nature.

Journey into the rainforest canopy on our Skywalk, a 300-meter bridge suspended 30 meters high. Capture unforgettable moments with stunning aerial views, and learn more about the abundant tropical rainforest.
